A large QR code is displayed within a white rounded rectangle that mimics a web browser window. The window has three colored dots (red, yellow, green) in the top-left corner. The QR code is black and pixelated. To the right of the QR code, there are four horizontal lines in blue, orange, green, and blue, extending from the edge of the white box. The entire graphic is set against a background of overlapping, semi-transparent colored rectangles in shades of blue, green, and orange.
